Dear Whom it may concern,

I am pleased to write this letter in support of Ms. Sarah Bean's application ESL teacher. Currently, I am serving as a Cheonan Education Special District Program coordinator at Korea Nazarene University.

I have known Ms. Bean since she first came in the Cheonan Education Special District Program in Cheonan, South Korea in January of 2011. Since that time, I have come to appreciate Ms. Bean many talents beyond those shown as a teacher in her classes. As her program coordinator, I have received strong reports from her Korean co-teachers. They were impressed with the way she was able to show a high degree of organization and professionalism, while also showing great respect and individual rapport with her students. She varied her class activities well, and responded to students in a personal way.

I should finally add that Ms. Bean brings strong personal traits to her professional work; She is an excellent collaborator and a delightful person to interact with. I believe that she will make a fine contribution to any program she joins, and I would be happy to provide any additional information that may be needed to support her search for the job.

Sincerely,

Jenny Kim(Eunju Kim)
